Emergency Water Leak Protocol

To All Residents:

In the event of an emergency water leak it is necessary to adhere to the following protocol.

Call Ken at 928-862-0569 as he will shut off the water.

Ken will contact Dan who will coordinate any repairs. Oak Creek Estados maintenance is capable of handling most water repair issues.

If you contact an independent plumber or repair service to handle an Estados maintenance issue, YOU WILL BE RESPONSIBLE FOR THE BILL.
